Q1	<p>In the Annex A_Full application, the table of contents (pg. 5) indicates the inclusion of two declarations by the Lead Applicant. Firstly, it lists "3. Declaration by the lead applicant (concept note), pg. 15 - this document form is missing." Secondly, it lists "8. Declaration by the lead applicant (full application), pg. 47." Could you kindly confirm if both declarations will be submitted? If so, could you please provide the format for the missing Declaration by the Lead Applicant (concept note)?</p>
A1	<p>Please note that this is an open call for proposals, where all documents are submitted together (concept note and full application). Eligibility will be checked on the basis of the supporting documents requested by the contracting authority and the signed 'declaration by the lead applicant' sent together with the full application.</p> <p>Hence, the Annex A – Application form is adapted to the rules applicable for the open call for proposals meaning that <i>Declaration by the lead applicant (concept note)</i>, <i>Checklist – concept note – for self-guidance</i> and <i>Assessment grid for the concept note</i> is removed from the application form for this call.</p> <p>Therefore, only <i>Declaration by the lead applicant (full application)</i> should be submitted at this stage.</p>
